

DOCUMENTATION OF CRAAKIT

Project Description :

- Craakit is a Project which is used to prepare for UPSC Civil Service Exams. All questions In Craakit are Generated by Artificial Intelligence. Firstly, A user has to register their Details in the Registration Page after that, users need to login by Entering their credentials and then Users can see the Progress of their knowledge about UPSC Civil Services.
- Craakit Provides **Full Mock Test and Subject Wise Mock Test**, whereas Full Mock Test Consist of 100 Questions in Each Month including all 10 Subjects in one month Questions. And Subject Wise MockTest Consist Of 100 Questions Each in Individual Subjects in Each Month.
- Users Can See Their Result Analysis in Table format, Line Chart, Pie Charts.(After taking test)

What Can user's Do?

- Users/Aspirants Can register for Craakit by Entering their Details.
- Users have to login for Craakit by Giving their Login credentials.
- Users can See their Previous Results, Ranks and Progress if they have already taken some Mock Tests.
- Users can take Full Mock Test and Subject wise mock tests individually.
- After taking a Test, Answers for Particular questions will appear at last.
- And then Users Can see their results at the end of the Mock Test.

What Main Admin Can Do ?

- Main Admin has to select Full mock test or Subject Wise Mock test and then has to Upload a questions file(.csv)
- Main Admin Can Set the Time For Each Exam Individually.
- Main Admin Can See the registered users in Dashboard.
- Main Admin has to give Approve For **Sub Admins** so that they can Validate each question individually.

What Sub Admin Can Do ?

- Sub Admin has to register themselves and should wait for **Super/Main Admins** Approval
- Until and unless main admin approval sub admins cannot login.
- After Main Admin Approval Sub admins can login to the validator Dashboard.
- By selecting question category validator can check,edit and Update each questions individually
- After checking all 100 questions, the sub admin can upload that paper to a validated table so that those questions will appear for user side mock tests.

Project Stack

Technology used for Frontend :

- HTML5
- CSS
- JavaScript
- Bootstrap FrameWork

Technology used for Backend:

- PHP
- MySQL

Frontend and Backend Connectivity:

- GoDaddy Server/Database

Database description :

- Install xampp free server for the windows configure the xampp server. Once proper setup is established, open the xampp control panel and start the mysql and Apache process. Use the mysql connecting codes in the coding part to perform action on mysql database tables.

Snapshots of Craakit User Module

Landing Page:

The landing page features a prominent red circular badge on the left with the text "FREE ONLINE MOCK TESTS" and three stars. To its right, a yellow circle contains the text "Register For FREE !!!". Above these, a red banner states: "All Mock Test in the series are Timer set, Just like Real-time Exam." Below the banner, another red box highlights: "Full Mock Test and Subject Wise Full Mock Test.", "Advance Student self Analysis Dashboard Available for Self Validation.", and "Free All india Prelims Online Mock Test Series.". A photograph of a hand holding a pen over a bubble sheet is shown at the bottom right. The top navigation bar includes links for Home, Test Series, Courses, Current Affairs, About Us, Contact, Login, and Register.

The "CRAAKIT COURSES" section displays four cards. The first card, titled "UPSC Civil Services Updates", features an image of the Indian Parliament building and the text "Prelims Updates Click Here". The second card, titled "NEET", shows a stethoscope and a test tube. The third card, titled "CAT Exam", shows a person writing. The fourth card, titled "IIT-JEE", shows students in a classroom. The top navigation bar remains consistent with the previous screenshot.

A screenshot of the user module dashboard. At the top, there are sections for "UPCOMING EXAMS", "NOTIFICATIONS", and "NOTIFICATION". Below these are "UPCOMING TESTS", "UPCOMING MOCK TESTS", and "UPCOMING PRACTICE TESTS". The bottom of the screen shows a navigation bar with links for Home, Test Series, Courses, Current Affairs, About Us, Contact, Login, and Register, along with system status indicators like battery level and signal strength.

The screenshot shows the homepage of the Craakit website. At the top, there is a navigation bar with links for Home, Test Series, Courses, Current Affairs, About Us, Contact, Login, and Register. The 'Contact' button is highlighted in red. Below the navigation bar, there is a large input field with a placeholder 'Send Message' and a red 'Send' button. The main content area features the Craakit logo and the tagline 'Practice Makes You Perfect'. It includes sections for Useful Links, Our Services, and Our Newsletter. The 'Our Services' section lists UPSC Civil Services, IAS, IPS, NEET, and JEE. The 'Our Newsletter' section has a single entry: 'knowledge and skills'. At the bottom, there is a copyright notice: '© Copyright Craakit. All Rights Reserved'.

Landing Page Contents

The screenshot shows the login page of the Craakit website. The background is blue and features an illustration of a person sitting at a desk, working on a laptop. On the right side, there is a white login form with the Craakit logo at the top. The form contains fields for 'Email' (with 'sam' typed in) and 'Password' (with three dots). There is a 'Remember Me' checkbox and a large blue 'Login' button. Below the login form, there are three small links: 'New User Click here to register!', 'Click here to go for Home page!', and 'Main Admin Validator Admin'.

Selecting Full Mock Test Page

The screenshot shows a web browser window with three tabs open: 'SMS TRACKER PROJECT FLOW P...', 'Untitled document - Google Doc...', and 'Craakit Mock Exam'. The 'Craakit Mock Exam' tab is active, displaying a mock test interface. On the left, a sidebar for user 'THARSHAN' shows navigation options like 'Full mock Dashboard', 'Subject Dashboard', 'UPSC CIVIL SERVICES PRELIMS(GS-I)', 'Full Mock Test', 'SUBJECT WISE (UPSC CIVIL SERVICES)', 'Subject Wise', 'RESULTS', 'Previous results', and 'Logout'. The main content area displays the time '01:59:53' and the message 'You are taking GS-SEP-2022 Mock Test'. A question is shown: '(1) What does the Criminal Procedure (Identification) Act (CPA), 2022 deal with?' with four options: A. Security of the State, B. Identification of accused persons, C. Rights of the accused, and D. Administration of criminal justice. The correct answer (D) is selected. Navigation buttons '< Prev' and 'Next >' are at the bottom. The status bar at the bottom of the screen shows system icons and the date/time '20-May-23 12:41 PM'.

This screenshot shows the same 'Craakit Mock Exam' interface. The sidebar for user 'THARSHAN' is identical. The main content area displays the time '01:51:49' and the message 'You are taking GS-SEP-2022 Mock Test'. A question is shown: '(100) Consider the following statement 1. Concessions are instruments of direct taxes 2. Viability Gap Funding is a form of indirect tax 3. Both Concessions and Viability Gap Funding are used to increase the profitability of a business Which of the following is correct?' with four options: A. 1 and 2, B. 2 and 3, C. 1 and 3, and D. All of the above. The correct answer (D) is selected. Navigation buttons '< Prev' and 'Next >' are at the bottom. The status bar at the bottom of the screen shows system icons and the date/time '20-May-23 12:49 PM'.

Main Admin Module

Login Page

A screenshot of a web browser window titled "Approve Validators". The left sidebar lists navigation items: Validators Request, Upload mock Questions, Upload subject Questions, Set Full Mock Exam Time, Set Subject Mock Exam Time, check Validators, Registered Users, and Logout. The main content area shows a table titled "Validator Details" with one row. The table columns are SL NO, validator Name, Email, contact, and SELECT. The data in the table is:

SL NO	validator Name	Email	contact	SELECT
1	john	john@gmail.com	7894561230	<button>Approve</button> <button>Discard</button>

The browser's address bar shows "craakit.com/admin/sub_admin_approval.php". The taskbar at the bottom includes icons for search, file operations, and system status.

Sub Admins request page.

The screenshot shows a web browser window with multiple tabs open. The active tab is 'craakit.com/admin/questionsupload.php'. The page has a dark header with the 'Craakit' logo and the tagline 'Practice Makes You Perfect'. A sidebar on the left lists various administrative tasks: Validators Request, Upload mock Questions, Upload subject Questions, Set Full Mock Exam Time, Set Subject Mock Exam Time, check Validators, Registered Users, and Logout. The main content area is titled 'Upload Questions File (CSV File)'. It contains two sections: 'UPLOAD Mock questions FILE HERE' and 'Uploaded Full Mock Exam Papers'. The first section has a file input field labeled 'Choose File' with the message 'No file chosen' and a green 'UPLOAD' button. The second section is titled 'Uploaded Full Mock Exam Papers' and contains a table with columns 'SL NO' and 'Uploaded and Validated Full Mock Paper'. A message at the bottom of this section says 'Not Uploaded and Validated Any Paper'. The browser's address bar shows the URL 'craakit.com/admin/questionsupload.php'. The taskbar at the bottom of the screen displays various pinned icons and the system status.

This screenshot is nearly identical to the one above, showing the 'Upload Questions File (CSV File)' page. The main difference is in the 'Uploaded Full Mock Exam Papers' section, which now displays a message: 'Not Uploaded and Validated Any Paper'. The rest of the interface, including the sidebar and the overall layout, remains the same.

Questions Uploading Pages.

The screenshot shows a Windows desktop environment with a browser window open to the 'Craakit' admin login page at craakit.com/admin/mock_time_setter.php. The browser has several tabs open, including 'Untitled document - Google Doc', 'PROJECT PROCESS FLOW - Google Doc', 'Login to craakit', 'Craakit-Main-Admin-Login', and 'Craakit-validator-Admin-Login'. The main content area is titled 'ADD FULL MOCK TEST'. On the left, a sidebar lists navigation options: Validators Request, Upload mock Questions, Upload subject Questions, Set Full Mock Exam Time, Set Subject Mock Exam Time, check Validators, Registered Users, and Logout. The central part of the page is divided into two sections: 'ADD TEST NAME' (containing fields for 'NEW TEST NAME' and 'TEST DURATION IN MINUTES') and 'EXISTING FULL MOCK TESTS' (a table listing 10 previous tests with columns for SL NO, MOCK TEST NAME, MOCK TEST DURATION, and EDIT link). The system status bar at the bottom shows the date as 20-May-23, the time as 2:32 PM, and the weather as 34°C Sunny.

Time Setter Page.

Under Maintenance:

- Uploading Questions File.
- Altering Questions.
- Validation of questions.
- Admin Side Modification.
